“ I just came across this and my heart hurts. Vicki was such a wonderful person. She was so kind and caring and always had a story to tell! Vicki helped to care for my grandmother and became one of my mom's (Judy) best friends. She was the kindest most selfless person you would ever meet. I am devastated to find this out. I can't even begin to explain how much she meant to my family, and how good of a friend she was to my mom. Sending her family so much love.

“ Vicki was more than a cousin to me. She was my go-to source for knowledge in so many areas, my closest confident, my cheerleader and my source of solace when my husband passed away.

My life will not be the same without our hour-long phone conversations and her many kindnesses.

I went to high school with Vickie at TR. She and I sat next to each other in several classes. I had completely lost touch with her, but I remember her being very sweet, kind, and always smiling. I know the family will miss her. I will be praying for all of you.
