“ I just learned of Herbert's death and I wanted to express my sympathy to his family. I have not seen Herbert since we just little children growing up as cousins. I still picture him that way; as a small, quiet boy, and it is hard to believe he is gone. May God bless each of you and bring peace and comfort to ease your pain.##imported-begin##Dotti (Pace) Morrow##imported-end##

“ Herbert has always been a good and kind brother-in -law to me. He's always tried to help us any way he could. He has even gone as far as to help my mama and daddy when they had car problems. He was a quiet, good man like his father was. It's so sad that he's not with us anymore. Irene, I will never forget the love that you and Herbert have shown to me and the children over the years. Thank you for that. Janet and George, take care of your mother and keep her close. I believe this is what your daddy would want. I still think of all of you as my family and love each one of you. God bless you and help you through this valley.##imported-begin##Joyce Cothran##imported-end##
