“ We were so heart broken to hear Wanda had passed. We were fortunate and honored to have met both Danny and Wanda @ Greystone in Myrtle Beach back in 2007. We had some great times with them both....lots of laughs and fun times. Wanda was full of life, fun to be around, caring, considerate and loving. We know that Danny and her family will miss her greatly - as will all her friends.

“ *Dear Family:*

I went through high school and graduated in 1974 with Wanda. I remember her being a sweet and kind person, although she did have a playful and mischievous side. She was always willing to help with school work if you needed her. I am sorry for your loss and pray that you feel the presence of the Lord around you during this time.
