“ My dear brother, I am going to miss you so much. I know you had your problems, but we all do. Although we didn't see each other very often we were always in touch. You never failed to ask about how the family was doing, especially our mom. I sure am going to miss talking to you. I always enjoyed hearing you talk about all your children. You were taken from us way too soon but you will always be in my thoughts and in my heart. Your were loved, and my heart is breaking knowing I wont be talking to you anymore. I know you are in a better place now and are no longer in pain. I just want you to know that I love you with all my heart and you will never be forgotten

“ To my Best Friend. You will never be forgotten in my memories and heart. Wayne was honest and had a big heart. He would be the first to give the shirt off his back or his last dollar if need be. I've never had a friend as giving as Wayne. I will cherish the talks we had almost every day over the yrs and all the advise he has given me. We were always on the same page in our beliefs. In all our yrs of friendship we never ever had bad words between us. I always protected him people trying to take advantage of his generosity and physical disabilities. I just wish he had a better chance at life. I could not fight his Diabetes and all his inner strives, but if I could I would have fought it with all the passion of my being. So long my brother I will never you my friend. RIP Wayne. Love your friend always, Joshua Marc Coley.
