“ I'm sure you will all miss Wayne very much. I did not know him real well but did greet and talk to him regularly at church with his wife and mother-in law.

Earl Larson and I did go to his house one day and help with some electrical conduit and wiring. It was fun working with him. I will pray for the family.

“ So many fond memories of time spent with Wayne he was one of a kind full of wit and humor. He touched many lives in his time on earth and will be missed by many. Dora only met him once when we came to help pack and load the house up for the move. Even in that short time he left a lasting impact on my daughter. What he said or did I do not know but that goes to show how he affected the lives of the people he came into contact with.

He told me once after my Dad died " He is never really gone because he lives inside you". So Ron, Jenn and Mrs. Huyck his body may not be with us but his spirit is so he lives on .

Everyone of you are in my thoughts and prayers and take comfort in knowing he was loved by many people young and old.###imported-begin##Elbie Forehand###imported-end##

“ Chris,I was so sad to hear of Wayne's death.It brought back so many memories from years past.I wondered where you guys lived. It has been so long since I have heard anything about you folks. Sandy passed away in May of 07 so I have some idea of what you are experiencing. I have married a friend of Sandy's who happens to be a preacher and we couldn't be happier. There truly can be life after the death of a loved one. It may not seem like it now. We will add you and your family to our prayer list. Take care of YOURSELF, and may God bless you.

“ Christine, I am so sorry to hear of Wayne's passing. Our faith assures us that he is at the feet of Jesus without sickness, ailment, or frailty, and I know you take comfort in knowing that fact. However, I know that his presence with the Lord leaves an absence in your own heart than can only be filled by our Lord. I pray that you sense His presense at this moment and especially closely during the days to follow. We're not guaranteed any number of days and you and Wayne were blessed to share so many. I take solace in knowing that the family which you both adored will be there for you in the days to come. May God bless you and hold you ever so close. Please give my love and condolences to Brittany as well.##imported-begin##Randy Funderburke##imported-end##

“ Wayne was a character that will never be forgotten. I remember he always had something witty to say and saw the practical side of a situation. Looking back, I remember how unselfish he was with his time. He was always at church tending to something. When there was some function in the fellowship hall where refreshments were being served he would ask me if the cake I was enjoying was part of my training, I played high school/college basketball. Thanks Wayne for showing me that it's not about me but about others and in doing so, you showed me a side of our Heavenly Father. I was glad to know you and your family. Christine, Ron and Jennifer you are in my thoughts and prayers. In His Loving Hands,Lynne Pinnell Hardy###imported-begin##Lynne Pinnell Hardy###imported-end##

“ I will always remember Wayne for many things. He was the first to offer friendship when I joined Tropicana in 1982, we fostered a friendship over the years, and mostly because Wayne could always find humor in the stickiest of situations. His wry humor and view of life made Wayne everyone's friend and that is the best legacy any person can leave behind.###imported-begin##Phil Guercio###imported-end##

“*Brother Huyck was a truly special man of God and it is of some comfort to know that he is now with his Heavenly Father, in better health than we could ever imagine. My heart breaks for the Huyck family and the loss they are now going to have to learn to live with. It is a profound loss and one that never quite goes away. I will always have fond memories of our family gatherings and Wayne's unique wit and charisma. It was a joy and a privilege to have been a part of his life.*
