“ *Kim and family,
I am so sorry for the loss of your mom, and now your dad. And even when people say that it is probably for the best and that you wouldn't wish either one back where they were when they left, I'm sure, it still hurts. We think of the loss we ourselves face all the while knowing that it is selfish to think of us, but impossible not to. My mom has been gone three years, my dad, 11 years, and I still think of things during the day, sometimes, that I just have to tell them about, and then wish I could. I pray that the lord will bring you peace and comfort during this time. Our prayers will continue to be with you.*
