“ Thinking of all of Billy's friends and family as they prepare to say goodbye to this kind- hearted and loyal man. In the short time I knew him through my brother, I was amazed by his loving heart and his ability to always offer a positive comment.

“ My husband and I knew Billy from the time we lived at Gleneagle Apartments in Mauldin. Billy would come over and hang out with his buddy Darrin and us at the pool. He was such a nice guy and always had a smile on his face. RIP, my friend.

“ As Job 14:14-15 points out: *If a man dies, can he live again? I will wait all the days of my compulsory service, until my relief comes. You will call, and I will answer you. You will long for the work of your hands.*

God is anxious, or has a longing, to bring back our dead loved ones. His promise is sure: He intends to call them and they will answer him, as if awakened from sleep. So for now, sleep tight Billy until you here his voice, then may tears of joy replace the tears of sorrow now being shed in your behalf.

“ Mike and I have fond memories of Billy during our days as lifeguards at the Williamston Recreation Pool. Fun memories of the diving competitions with Mike, Billy, Chris, and Phillip Erwin trying to out perform each other after the pool closed. Loved Billy's comments and thoughts on Facebook. Also enjoyed his hugs and "walks down memory lane" when we would run into him from time to time. He will be missed. We wanted to attend the funeral but will be out of town. But, please know that our thoughts and prayers are with you all. Mike and Marian (Creamer) West

“ I remember Billy from high school. We reunited thru fb a fewv years ago. Still same big hearted kind person I remembered. Always turning a frown to a smile . Will miss the fb communications. I'm sure he's making a lot of people in heaven smile now. He talked kindly of everyone . My prayers go out to his family and friends whom he talked about often. Love and miss you Billy.
