“ *There are no words that can express how much Woody brightened up my days. He was truly one of a kind with a sense of humor to match. I'm going to miss seeing those twinkling bright blues watching us as we worked. I just want to thank you all for allowing us to share a small part of his life. I know that he is happy in heaven with Peggy, and I know she's happy too. Please know that my thoughts and prayers are with you all.*
