“ *It was a long time ago, but I remember Mick as a special man with a fine sense of humor, and I well remember the twinkle in his eyes mentioned by someone else. He was very nice to me when I was a very young, scared new ATC trainee surrounded with some pretty disturbing vibes. I've been retired for 23 years now. He treated me with fairness and respect, and I will always remember him fondly.*

“ Dear Family of my good old friend Mick Brazie.

*What a wonderful person he was and I have such fond memories of him.*

*In 1970 I moved to Atlanta to work for Gulf Oil USA on Peachtree St. Mick was an Air Traffic Controller and lived in Jonesboro in Battlefield Apartments with two other Air Traffic Controllers from the upstate of SC. I moved in with Mick and the two and remained there for 2 years. It was a fun time and I'll always remember him calling me "Youngun or Youngen." Each day when I drove into the parking lot from work, old Mick would be on the balcony and he's holler, "Hey Youngen." Mick surprised me at age 21 and threw me a big B'day party at the airport and we enjoyed dinner and romping around the airport bars (remember, I had just turned 21) and then home safely.*

*Although he was 20 years my elder, he promised my parents, Carl and Frances (my Dad was Fred Massey's brother), that he would keep a watchful eye on me and keep me out of trouble. That he did and did it well. We had a great time bonding. Had it not been for that experience we would have simply been foreign relatives. But, I gained knowledge and lots more from him and we grew to be ultimate friends.*

*Life has gone on since those days and I regret that Mick and I hardly ever got to see each other, but when we did, he'd say, "Youngen, how you doing?"*

*I, for one, will miss him and his antics. He was a good guy.*

*I wish all of you wonderful memories of a really great person who shared his life with us and brightened our days.*
