“ *This man is one of the most important people in my life. He was a wonderful father and he loved his family more than life itself. He was one of the most dedicated friends and sodier to our country. I will miss you so much daddy, the sound of your laugh will never be heard again by those who were blessed enough to have heard it. I know that Heaven is rejoicing rite now for receiving such a God fearing and loving Christian man. Our family will never be the same again but, I know that your going to be looking out for us there just like you did here. I try to imagine life without you in it and it's so hard, all I seem to do is cry. I wish you were here to hug me and reassure me that it's all going to be okay. I keep recalling the time that I sang to you. The song was "Daddy's Hands" and it fit us to a "T". You will continue to be loved by us all. And I'd like to say thank you for being the greatest, most loving, caring, giving and understanding father to me that you didn't have to be. Also, for spending one more birthday with me before you had to go. I will keep you in my heart and prayers. Listen out for me to say goodnight okay? Till I see you again...*

*Love Always,
Your Baby Gurl
Connie*

P.S.

My prayers and thoughts will be with all of the family and friends who were truly blessed to have known and been a part of the family that daddy called his.
