“ I first met Winston in basic training in Georgia in 1953. We went thru signal school in NJ. and shared a lot of experiences together. I also met his mother father and brother at their house along with Carolyn before they were married.

"Coxie" and I hit it off from the beginning kept in touch thru the years.

Altho I never met,Robin and Dale, We extend our warmest regards to you and your families at this time for your loss and wanted to tell you what a fine man you father was.

No better man has crossed my path in the past 65 years.

I was so saddened to hear uncle Winston has passed and is now in the loving arms of Aunt Carolyn and his family who went before him. He was a wonderful man and I truly thought the world of him and Aunt Carolyn. My thoughts and prayers are with Dale and Robin. God bless you all... Margie Swofford (Margarets daughter)

“ *The last time I saw Mr. Cox was 1975, when he worked in sales at my father's Chevrolet Dealership. I remember him as a completely decent human being. He was honest, and well-liked and respected. We've all changed over the years, but I know his spirit I knew was still inside, though out of sight.*

“ *Just wanted to tell Winston's family that your father was a man Who was a friend to all. I remember him getting together with Gene Carmen and Carol Cox to fix my well while I was at work. He cut my Grass when My father died. He was just that kind of a Friend and Neighbor. I am Sorry for your Loss.*

So sorry to hear of uncle Winston's death. Though we didn't see each other often he always sent a Christmas card. I will miss him. He's with your mother now resting in eternal peace and that makes me happy. I rest in the knowledge I will see both again in our heavenly home. Love to you and Dale.
