“ Zachary, my son, was the best a mom could ask for. With a pure heart, and a personality that everyone liked, and loved. He wasn't perfect, but he was mine.
I miss you every second of every day son, and I always will. Thus broken heart and spirit will not heal, and I truly don't expect it to. Half of me, the half that was and still is your mom, wants to be with you. The other half needs to be here with your sister. I miss your voice. I miss your hugs. I miss your presence.
It has been 1 year to the day and it seems like yesterday that I was with you. I still txt your number.
I love you Zachary... always

“ Probably no one knows me, but I had the opportunity to meet Zach when he came in for service at George Coleman Ford. I got to speak with him many times while he was coming in for service. He was one of the sweetest guys that I've had to honor to talk with. Always the same, sweet, understanding, humble, kind and very respectful. Always said "yes mam, no mam". His personality spoke volumes about the man I met, I could tell he was a man of God. Sorry to hear of him passed away My condolences to the family.

“ *To my nephew who was as pure as a man can get. I will always remember how you laughed at my jokes even if half the time I was messing with you. You always brightened up my day with your contagious smile. When we talked you always listened and your eyes would be wide open. You were so innocent and kind, and you made me proud of the fighting spirit you had. There will never be another you. I love you nephew I will remember you forever. Ps. I included a picture of you and Amir. He always loved his cousin Zachary. You were a great role model. ❤️🙏*

“ Words can't describe the pain I feel in my heart that I can't talk to my friend anymore. That's the one thing we both have in common is we love some talking.

Zachery and I didn't see eye to eye in the beginning but just nearly 3 maybe 4 years ago, after a heart felt talk sitting in my car with him. He become my close friend. I've only had 2 in 49 years. My other friend is no longer with us either.

I think about Zachery every day since he's been gone. I can't help it. I look at the sadness in his mothers eyes knowing that this time, I can't change the way she feels that he's gone.

Zachery is by far the most loved man that I've ever met. Everyone that has met Zach can't get enough of him .

He knows that I love him as well. I write this with a lump in my throat because my friend isn't hear anymore and I just want to talk to him again.

Zachery if your out there in the world beyond, hanging with the big man JC, please remember that I love you and I can only hope that I can be as strong of a man as you are. You are my inspiration and my son adores you. You are Stephens idol.

Finally, thank you Zach for the being a part of the best moments of my life. I remember the words of wisdom you give me when I dated your mom. You said " man, you just need to give her space and don't smother her".. lol, thank you for that buddy. You were looking out for a brotha.

Gone but never ever forgotten,
Your papi,
Todd Burns

“ Words can't express the sadness I feel for the family. Zachary was a pure soul and a good friend. I will miss our chats and the times we shared when you was a kid, from playing basketball, video games and watching wrestling on tv. Your laughter brought so much joy to those around you. Zachary was the strongest person I knew and a hero to many. Fly high my friend you will be missed terribly. Love you always.
